The application for a certificate of exemption shall be submitted upon forms provided by the board. The licensee shall have completed the required continuing education at the time of reinstatement.

645—303.9(147,272C) Continuing education waiver for disability or illness. The board may grant waiver of the minimum educational requirements for any period of time not to exceed one calendar year from the onset of disability or illness. In the event that the disability or illness upon which a waiver has been granted continues beyond the period of waiver, the licensee must reapply for an extension of the waiver.
